

INSTRUCTIONS FOR ABSTRACT SUBMISSION

Deadline for abstract submission

May 31, 2025

Deadline for abstract notification of acceptance

Notification of acceptance of your paper will be send no later than **June 30, 2025**.

How to submit

Abstracts should be submitted only online through www.foodtechnologycongress.com

The online system will take you step by step through the abstract submission process.

Please also note that the Abstract Submission form has some mandatory fields marked with a red asterisk (*) that must be filled in order to proceed with your submission.

After having submitted your abstract through www.foodtechnologycongress.com you will receive an e-mail confirmation with a unique reference number attributed to your paper. You can use this number should you wish to update and amend your paper.

Abstract Format

- Abstracts must be written in English
- The abstract must be typed single-spaced using Arial 11-pitch type letters.
- Abstract title should be typed in Upper case bold letters.
- Please include name(s) of author(s) in a new line. Please put initials first. Omit titles. The name of the Presenting Author should be underlined.
- The name of Company (s) / Institution (s) should be included in a separate new line.
- Clarity in presentation is requested. Objectives, methods, results, and conclusions should be stated meaningfully and concisely. Include only a brief description of experimental procedures. Authors are responsible for the content and quality of abstract preparation and no editing will be done.
- Total number of words **should not exceed 400**.

- Abstracts will be accepted under the condition that one, at least, author will be registered.
- Please indicate your preference on the type of presentation (Oral / Poster). The Scientific Committee has the right of the final decision on the form of presentation.

If you have any questions, please contact the Congress Secretariat, tel. (+30 210) 7499300 – 337 or send an e-mail to info@foodtechnologycongress.com.
